Subject: RE: Helena Pretreatment Position

Cathy,

Thank you for this update and opportunity to preview the position description. EPA does not have any comments on the description other than to generally say that we are also pleased with this development. We also appreciate knowing that the City plans to have this person devote ½ of their efforts to Pretreatment duties.

Robyn

Subject: Helena Pretreatment Position

Robyn,

I am pleased to let you know that the City has created a new position with the attached job description. The City anticipates that the duties of this new position will be ½ time Pretreatment and ½ other environmental. Please let me know if EPA has any comments on the position.

Cathy
